The Assistant to the
Resident in Mysore
Bangalore.

Sir,

I have the honour to bring to the notice of the Officiating Resident the inconvenience which subordinate Officials, residents of the Pettah, employed in Offices under the Resident in the Civil and Military Station of Bangalore, are caused, in being obliged to attend daily, when sick at the Bowring Civil Hospital for out-door treatment. I would therefore suggest that an arrangement be made with the Senior Surgeon to the Mysore Government, whereby such persons as herein referred to, may be permitted to attend at the Pettah Dispensary for treatment and that a Medical Certificate signed by the Officer in charge be submitted to the Residency Surgeon for Countersignature and transmission to your Office.

2

I may here remark that

M.

the officials of the Mysore State, residing in the Civil and Military Station are allowed the privilege of attending at the Bowring Civil Hospital for treatment and that Medical Certificates from there are supplied to them when incapacitated from duty. A similar Concession at the Town Dispensary to the Officials under the Resident, will, I trust, under the circumstances mentioned, meet with Mr. Girdlestone's approval.

I have &c.

(Signed) A. J. Dibeau,

Residency Surgeon.
